I understand that the package is a hard copy of the information sent to you with respect to the potential force majeure arising out of the current pandemic.

Subject: Doe Run package

Mike,

I received a priority package from Doe Run at our EPA Regional Office which is closed. The package came from your Viburnum address. Can you let me know what is in the package so I can determine if I need to review it in the near future or if it can wait until I am back in the office. We may not be back in the office for several weeks. Thanks.

Steve
